FLASHBAND™

Flashband™

Flashband is a unique armoured, bitumen based, aluminium self-adhesive sealing strip with hundreds of uses around the house and garden. Flashband consists of an aluminium facing strip backed with a pressure sensitive sealing compound. This compound is protected by a special siliconised release paper which must be removed before use. Once applied Flashband can be left to face all weather conditions without further attention.

Width x Length

50mm x 2.5m
75mm x 2.5m

DAMAX FROST COVER

Damax Frost Covers helps protect your plants from wind and frost damage while allowing light, water and nutrients to pass through to your plants. It is also perfect for larger pots, flower beds and vegetable gardens.

Width x Length

1.6m x 10m

GREENHOUSE SHEETING

Greenhouse Sheeting 200 Micron Sold in full rolls or in cut pieces

[BACK TO INDEX](#)

HOT WATER SOLUBLE BAGS

The strongest, safest, most cost effective, fully bio-degradable, non-hazardous, anti-static, odour retentive, non-toxic gas and solvent resistant hot water soluble laundry bag available. Laboratory tests confirm that the bag is impermeable to bacteria and viruses. The bag will resist moisture and dampness to a remarkable degree and as a result is able to hold 'normally wet or damp' linen for many hours without rupturing. It also has a high odour retention quality.

Width x Length

DUOWRAP - CLINGFILM AND FOIL DISPENSER

Duowrap dispenser is a portable system which is easy and safe to use. The unit has a sliding blade which moves in both directions while carefully slicing the cling wrap, whilst the foil has a serrated edge. Duowrap is easily mounted onto a wall with a template on the reverse for mounting purposes, alternatively the unit has rubber feet for grip on all surfaces

Takes both a foil roll (350mm x 50m) and a cling film roll (350mm x 200m)
